### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Apparatus claims 1 and 10, and corresponding method claim 11 call for a programmable logic device (PLD) comprising a control circuit coupled to a memory for controlling said memory to selectively operate at a first rate under a first power state, and at a second rate under a second power state. Additionally apparatus claim 9 requires a control circuit for controlling a programmable logic device (PLD) comprising a first and second sense amplifier, coupled to a memory, respectively operate at a first and second rate according to a first and second power state, based on a power selection signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Drawings***

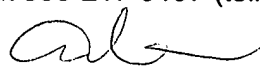

The informal drawings submitted are acceptable for examination purposes. New formal drawings are required in response to this Office action. Objections to the drawings will not be held in abeyance.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Q. Tran whose telephone number is (571) 272-1885. The examiner can normally be reached on Mon - Fri 8:30 AM - 5:30 PM.
